Foreword

Thank you for showing your interest in joining one of our Cambridgeshire primary schools.

We are lucky to have fantastic schools across our county. I know personally how hard our school and academy leaders work every day to ensure they are offering the best opportunities for development and growth.

As the Local Authority we benefit from having close relationships with our schools, and our collaborative approach ensures we are always working together to help achieve the best outcomes for our children and young people and helping them reach their potential.

I'm pleased to be able to share this guide with you, and I hope you find it useful.

All the information you need to know about the admissions process is available in here, but you can also find admissions information at www.cambridgeshire.gov.uk/admissions on our website.

In addition to this guide, each school produces its own prospectus and provides opportunities for parents to visit and find out more about the facilities and services provided.

I wish you the best for the future.

Who Can Apply?

This guide is for parents and carers of children living in Cambridgeshire who are applying for a Reception place at a primary/infant school, Year 3 of a junior school or a Year 5 place at a middle school for September 2027.

We co-ordinate the admissions to all maintained schools and academies in the county and aim to make the process fair and transparent for all.

- It is our policy to admit children to the year group appropriate to their date of birth.
- If your child lives outside Cambridgeshire, please contact their home local authority for details on how to apply. Check your home local authority at https://www.gov.uk/find-local-council can help identify home local authorities
- Cambridgeshire residents who wish to apply for schools outside Cambridgeshire must still make their application through the Cambridgeshire admissions process. We will work with the other Local Authority to ensure that your application is considered alongside those who live within that authority.
- A child coming from an educational system abroad, or who does not speak English as their first language, will not normally be considered as an exceptional circumstance. Support is available in all our schools within the correct year group for these children.

If you are moving from overseas and will be resident in Cambridgeshire for 6 teaching weeks or longer your child may be eligible for a primary school place.

If you are in any doubt, please email admissions@cambridgeshire.gov.uk before submitting your application

Specific circumstances

Children with an Education, Health and Care Plan

If your child has an Education, Health and Care Plan, please do not apply through the standard admissions process.

You will receive information from your child's SEN Casework Officer regarding the specific application process for your child. If you have any queries, please contact the Statutory Assessment Team (S.A.T) who will be able to advise you further.

Children in public care

If you are caring for a child who is currently in care, please complete the application with support from the child's social worker. Applications made on behalf of children in public care that are not completed with support from the child's worker will not be processed until such time as a social worker's signature is received.

If you are applying for a child who was previously in care and has since been adopted or is now under a special guardianship or residency order (now known as a child arrangement order) they will be given higher priority within every Cambridgeshire school's criterion. Ideally you should provide the contact details of the social worker who was assigned to your child's case.

However, it is your responsibility to provide evidence to support this request in the form of:

- Adoption certificates/documentation from overseas/Court documentation;
- Child Arrangement Order where a non-birth parent has been named;
- Special Guardianship Order;
- Written confirmation from an involved council employee (ideally the assigned Social Worker) confirming child is in care.

You will need to make specific mention of this on your application, as Cambridgeshire County Council Admissions Team do not have access to public care records.

UK service and military personnel

If you currently serve or have served in the UK Armed forces of the Crown we will accept your application together with a letter or equivalent from the MOD or a Posting Order as proof of address for your child's application.

Applications from service personnel will be processed in accordance with the School Admissions Code.

If you do not have evidence of a residential address before the closing date of the 15 January 2027 we will use the base address. If you then receive notification or confirmation of your actual residential address please forward this to us admissionsapplications@cambridgeshire.gov.uk.

Please clearly indicate on your application that you are serving personnel.

Before You Apply

Which schools can I apply for?

You can apply for a place at any maintained or academy (state funded) using your home authority's online application system or paper application form, providing you are applying for Reception, Year 3 of a junior, or Year 5 of a middle school (Cambridgeshire does not have middle schools).

If you live near the Cambridgeshire border, you may wish to consider schools in neighbouring local authority areas. You will still need to make your application through Cambridgeshire County Council.

If you are applying for schools outside Cambridgeshire, you should also check the relevant local authority's admissions arrangements, including any supplementary forms and supporting evidence requirements.

If you include a school that cannot be considered, such as an independent school or a school that is not accepting applications for your child's year group, that preference will be removed from your application.

A list of Cambridgeshire schools is provided in the directory section of this guide. Find out more about finding and choosing the right school and how our catchment areas work at https://www.cambridgeshire.gov.uk/residents/children-and-families/schools-learning/apply-for-a-school-place/catchment-areas

You can select My Cambridgeshire and enter your postcode. Select your house. To find out your catchment primary and secondary schools select 'My House' on the top left of the screen. Distances given are indicative only, and must not be relied upon for either admissions or home to school transport purposes. Please check schools' websites for accurate catchment information.

If you wish to see which other schools are near your address, click on 'My Nearest' or click on the 'My Maps' section and click on the relevant box in the 'Education and Learning' section down the left-hand side.

Parents should be aware that the primary school their child attends may impact on future secondary admissions because some secondary schools' admissions policies have a feeder school as one of their criteria.

It is strongly recommended that you use all three preferences, and that you name your catchment school as one of these.

Your child's home address?

The address provided on your child's application must be their permanent home address when school places are allocated on **16 April 2027**.

If you are applying using a future address, you must inform the Admissions Team and provide the required supporting evidence by the published deadline.

We will verify your child's home address from the information held by their current school or by requesting proof address from you. Before submitting your application, please check that your child's current school holds the correct home address for them. If the address held by the school is incorrect, your application may be considered using the wrong address, which could affect your chances of being offered a place at your preferred school.

If your child does not currently attend a Cambridgeshire Early Years Setting, academy, foundation or voluntary aided school it is your responsibility to provide sufficient proof of your address in Cambridgeshire. We will contact you using the email address on your application.

Documents below must be dated within 3 calendar months of your application being received.

Proof of address provided **must** be in the name of the person making the application.

Any proof of address provided must be in the name of the person making the application. This may be requested at any stage of the admissions process, including after submission of the application. Requests will be sent to the email address provided on the application so parents must notify us if this changes. It is therefore important to regularly check your emails during the admissions process.

Acceptable documents include:

- Current Council Tax Bill
- Signed tenancy agreement*
- Solicitors letter confirming exchange or completion*
- Letter from a host family member or friend if moving in with them, together with a recent utility bill*
- A copy of a Government document

**Documents marked with an asterisk must be dated within 3 calendar months of your application being received.*

If it is not received before **31 January 2027**, your child's application may not be considered under the correct address, until the second round of allocations, offers for which will be made on **24 May 2027**.

It is also important to note that while Cambridgeshire County Council accepts additional information documents such as proof of a new address that are received before 31 January 2027, we cannot guarantee that other Local Authorities will honour this deadline. The date for all Local Authorities to exchange data on residents who have ranked out of county schools as a preference is set for 15 February 2027. Therefore, all applicants who name a school in another Local Authority as one of their preferences must have all requested additional documents submitted to the Admissions Team before 31 January 2027.

Shared parental responsibility

If more than one person has parental responsibility for a child and they live at different addresses, they should agree on school preferences before an application is submitted.

To help us process applications without delay:
We may request additional information, documentation or evidence at any stage of the admissions process to verify the details provided in an application.

Requests for information will be sent to the email address provided on the application form. You must notify the Admissions Team immediately if your contact details change after submitting your application.

Parents should regularly check their email account, including junk or spam folders, throughout the admissions process and respond promptly to any requests for information.

Before applying, please ensure your child's nursery, pre-school or early years setting has your current home address recorded correctly. We may use information held by educational settings as part of our address verification checks.

If different applications are received for the same child, or the Admissions Team becomes aware of a dispute between those with parental responsibility, all applications will be placed on hold until one of the following is provided:

- A jointly agreed application;
- Written agreement from all parties; or
- A court order confirming who has authority to make the application.

If your child lives at more than one address their main residence will normally be considered to be the address where they spend most school nights (Sunday to Thursday).

If they spend an equal amount of time at two addresses, further evidence will be required to determine which address should be treated as the child's home address for admissions purposes.

Please ensure that only one joint application is submitted by 15 January 2027. Submitting more than one application may delay processing and could affect the timely consideration of your child's application.

If you are moving house, we must receive all supporting documentation of your new address by 31 January 2027. If the required evidence is received after this date, your records will not be updated until after the National Offer Date, 16 April 2027.

Applications must contain accurate and truthful information. Any application found to contain false, misleading or fraudulent information will be investigated and any school place offered may be withdrawn.

- Applying online mean there is no risk of your application being lost in the post.

- Any new application or change of preference will replace the previous application. Only the most recently submitted application will be considered.

National Closing Date – 15 January 2027

All applications must be received by this date. Applications received after the 15 January 2027 will not be considered until the second round of allocations (late applications).

- Online applications must be submitted **before** midnight on **15 January 2027**. Applications that have been started but not submitted will not be processed.
- You will receive an email confirmation of your application preferences to the email address used to make the application,
- If you return to your application and make any changes, you must re-submit it, it is your responsibility to ensure the application status shows "**Submitted"** before midnight on 15 January 2027.

If you do **not** apply by 15 January 2027, your child will not receive a school offer on 16 April 2027.

Remember: if you make changes to an online application, you must submit it again. An application that is saved but not submitted will not be processed.

If you have missed the deadline, you should submit a late application as soon as possible.

Late applications will not be considered until the second round of allocations. By this stage, some schools may already be full, which may reduce the likelihood of being offered one of your preferred schools.

Choosing Your Preferences

In Cambridgeshire, you can apply for up to three schools and rank them in your preferred order.

Always list schools in your genuine order of preference. Naming a school second or third does not reduce your chance of being offered a place there.

If you apply for only one school, your child will only be considered for that school. If a place cannot be offered, your child may be allocated a place at a different school that was not one of your preferences. This school could be further from your home and may affect eligibility for home to school travel assistance.

- Schools do not know the order in which you have named your preferences or which other schools you have applied for. This information remains confidential until places have been allocated.
- You should list schools in the order you would most like your child to attend them.
- You can only have three active preferences at any one time, even if you are applying for schools in another local authority that allows more than three preferences

Listing only one school does not increase your chances of being offered a place at that school.

Supplementary Information Forms (SIF)

Some schools ask parents to complete an additional form called a Supplementary Information Form (SIF).

This is used to help the Governing Body / Trust to consider your application fully, in accordance with the school's oversubscription criteria.

If you wish your child to be considered under a school's religious criteria, you must complete a SIF and return it to the school directly before the closing date of 15 January 2027.

If you do not complete and return the required SIF by the closing date, your child will not be considered under the schools' religious criteria.

Changing Preferences

You can change your school preferences until 15 January 2027 to be considered in the first round of allocations.

After 15 January 2027

Preference changes will not be considered until the second round of allocations.

Any changes to your child's application that may affect an oversubscription criterion i.e. a sibling starting at the requested school, that is not received by 31 January 2027, will not be actioned until after the national offer date 16 April 2027.

Only one application will be processed per child at any given time.

To ensure that any schools from your previous application remain listed as active preferences, you must include them again when submitting your second or any subsequent application.

When you make a new application, you will be agreeing to the following:
- That you will no longer have the right to appeal against a refusal for a school that is not included on your most recent application.
- That your child's name will be removed from any waiting list for a school that is not named on your latest application.

Admission to school below compulsory school age and delay entry to school

Your child is eligible to start school the September following their 4th birthday but legally must be accessing full-time education from the term following their 5th birthday. On receipt of your child's school offer you may choose to take up this place:

- Immediately (from September 2027); or
- On a part-time basis until the beginning of the term after their 5th birthday; or
- Defer your child's admission until the beginning of the term after their 5th birthday but not beyond the beginning of the final term of the school year for which it was made.

This means, if your child is summer born, they will need to start school in April 2028 to keep the place at the school offered.

If your child does not start school in April 2028 you will need to apply in June 2028 for a Year 1 place with no guarantee of the same school being offered. We recommend all parents discuss these admission options with the school following receipt of their child's offer letter.

If your child is summer born, information is available on our website (home page - summer born children information).

Applying offline

If you cannot apply online, you may request a paper application form by calling 0345 045 1370.

If you provide an email address, we will send an offer via the provided email address. If an email address is not provided you will have to wait until your offer is received in the post. If we need to contact you for any further information and no email address is provided, this will be done by post. This may slow down your application.

We recommend that all paper application forms are posted by "signed-for" recorded delivery, and that you retain your proof of postage.

You can also hand the application in to your child's current school, for them to scan and email to us. If you do, please request a confirmation receipt.

Please do not submit both an online and a paper application.

If both are received, only the most recent application will be processed

You can get free Wi-Fi, and access to computers at Cambridgeshire libraries.

Allocations of school places

Published Admission Number (PAN)

Each school has a **Published Admission Number (PAN)**. This is the maximum number of pupils that can be admitted to each year, based on the accommodation available at a school. The number is based on a national formula for deciding how many children can go to a school without causing overcrowding.

Many schools receive more applications than their PAN can accommodate. To decide which children to offer places to, specific admission criteria are used. These are known as the school's oversubscription criteria.

Oversubscription criteria

These are the criteria by which all applications are considered when more applications are received than there are places available. Different schools have different criteria, so it is important that you check the admission arrangements for all the schools you wish to apply for.

How places are allocated

We work with schools and other local authorities to make sure that each child receives only one school offer.

If a school receives more applications than places available, its published admission criteria will be used to decide which children can be offered a place.

We will then offer your child the highest ranked preference for which they qualify.

If you apply for:
1. School A
2. School B
3. School C

And your child qualifies for both School B and School C; they will be offered School B because it is your higher preference.

Schools do not know the order in which you have given your preferences

If your child can be offered their first preference
- Your child will be offered a place at that school
- Lower preferences will not be considered

If your child cannot be offered their first preference

- Will well consider your second preference
- If a place can be offered, your child will be added to the waiting list for your first preference school, and you will be given information about how to appeal

If your child cannot be offered their first or second preference

- We will consider your third preference
- If a place can be offered, your child will be added to the waiting lists for any higher preference schools that could not offer a place.

If none of your preference can be offered

- We will normally offer a place at your catchment school, **if** places are available.
- If your catchment school is full, we will offer a place at the nearest school with a place available*.
- Your child will be added to the waiting list for any preferred schools that could not offer a place.

** Alternative School*

If you do not express a preference for your catchment school, your child will not receive travel assistance to any alternative school offered as a part of the admissions process.

National Offer Date – 16 April 2027

When will I know which school my child has been offered?

If you applied online, you can log into Citizen Portal to see your offer, and we will email you as well. If you applied on paper your offer letter will be posted out by second class post.

In April 2026 the following percentage of Cambridgeshire families were offered one of the schools listed on their application form:

- **94.7 %** were offered a place at their first preference school;
- **98.9 %** were offered a place at one of their three preferred schools;
- **1.1%** were not offered a place at any of their preferred schools.

Accepting a school offer

Parents and carers must confirm acceptance of the offered school place either to the Local Authority via the online portal, email, or post, or directly to the allocated school.

The acceptance of a placement offered will not lessen your chances of being offered a place at your preferred school either through the school's waiting list or through the appeals process.

Declining a school offer

If you do not wish to accept the school place offered, for example if you have moved out of Cambridgeshire, or have decided to educate your child privately, you **must** ensure you inform the Local Authority. This can be done by emailing the Admissions Team or contacting the allocated school and advising them of the named confirmation alternative school placement that has been offered.

When considering declining the offer of a place that has been made to you, please consider the following:

- If you are appealing a decision not to offer your child a place at a higher preference school, you must wait until your case has been heard and upheld before you can decline the place currently offered to you;
- If you have submitted a new application with different preferences, or are planning to do so, you must wait until your application has been processed and a new offer issued by the Admissions Team before you can decline your original offer;
- If you are hoping to gain a place at a preferred school through that school's waiting list, your current offer cannot be withdrawn until you are offered a place at your preferred school by the Admissions Team.
- If you are moving out of Cambridgeshire, we will not remove an allocation until we have been advised of an alternative provision that has been secured.

Offer after refusal

In some cases, the Admissions Team may initially be unable to offer a place at your preferred school. However, a place may become available at a later date. If this happens, we will notify you in writing, either by email or, where no email address is held on file, by post to the contact address we have recorded for you.

You will then need to decide if you wish to take up the newly offered higher preference school or retain the originally offered place. You **must** inform us of your decision**, in writing**, within ten working days of the offer being made; you can confirm by letter or by emailing AdmissionsApplications@cambridgeshire.gov.uk

If you do not respond within ten working days, a reminder will be sent by post or email; if you do not respond within five working days of the reminder, we will assume you wish to retain your original offer, the new offer will be withdrawn, and your child's name will be removed from the school's waiting list.

Exceptions cannot be made for letters you do not receive due to providing insufficient details for written communication.

We also suggest adding the addresses to your safe-senders list, as deadlines cannot be extended for emails that have been filtered into junk or spam folders:

admissions@cambridgeshire.gov.uk
spos.admissions@cambridgeshire.gov.uk.
AdmissionsApplications@cambridgeshire.gov.uk

If a place cannot be offered at any of my preferred schools

If you are a Cambridgeshire resident, you will be allocated a place at either your catchment school, if there are places remaining, or the nearest alternative school to your home address with a place available.

Your child's name will be placed on the **waiting list** for every school where they are refused a place.

What is a Waiting list?

Waiting lists are ordered using the school's oversubscription criteria, not by the date a child was added to the list. Your child will remain on a waiting list until **31 December 2027**, unless one of the following occurs:

- you are offered a place by an independent appeal panel;
- a place becomes available;
- you are offered a place at a school you have ranked as a higher preference but were previously refused due to oversubscription; or
- you submit a new application that does not name the school as a preference or ranks it as a lower preference than a school we are able to offer you a place at.

Appealing a School Place Offer

Information on appealing a school place will be included with your offer of a school place. You can also find out all about the appeals process on our appeals page
https://www.cambridgeshire.gov.uk/residents/children-and-families/schools-learning/apply-for-a-school-place/admission-appeals

Home to school travel assistance

In most cases, as a parent, you are responsible for your child's journey to and from school. It is essential that you consider how your child will travel to school before submitting your application.

If you choose to apply for a school which is not your child's catchment or nearest school, or they are offered a higher preference school, they **will not** be entitled to receive council funded transport assistance.

Please ensure you consider the information below but also visit the home to school transport webpage for the full criteria and Home to school travel assistance policy.
www.cambridgeshire.gov.uk/education/transport

Eligibility criteria for council funded transport assistance

In order to qualify for travel assistance your child must;

- live within Cambridgeshire **and**
- be attending their nearest suitable school **and**
- that school is more than 2 miles from their home, by the shortest available walking route.

Nearest suitable school

The Council defines your child's nearest suitable school as;

- their nearest school; or
- their catchment school (please note exceptions apply see individual school entries for further details); or
- their nearest school with a place available, only if a place has been applied for and refused at the nearest and catchment schools

Please take into consideration that your child <u>will not</u> receive travel assistance if;

- you do not apply for your nearest suitable school; or
- they attend your preferred school, and that school is not your nearest suitable school; or
- they attend an alternative school designated to you by the Local Authority, but you have **not** applied for and been refused places at your nearest suitable school.

Distance measurements

All distances for assessing home to school transport entitlement, including identifying your child's nearest school, are measured by the shortest available walking route up to 2 miles, and by the shortest road route for distances more than 2 miles.

Distances are measured using the Council's ordinance survey-based mapping system. Whilst online measurement tools are useful for providing approximate information, they should not be relied upon for determining your child's nearest school. If you are unsure which school is your child's nearest school, please contact the Passenger Transport Team who will confirm this information for you.

If you live near to the county border, your nearest school or next nearest school with a place available may **not** be a Cambridgeshire school. Please consider this when making your school selection.

For further information please visit www.cambridgeshire.gov.uk/education/transport

Where can I get further information?

The Admissions Team is available to provide parents with factual information regarding the school admission and school admission appeals process. Their role is not, however, to advise parents on their applications or with the preparation / content of appeal cases.

From September 2014, all local authorities must publish a local offer. The local offer brings together information from education, health and social care about the provision that it is available for children and young people aged 0 - 25 with special educational needs and disabilities (SEND) and their families.

Mainstream schools and academies must also publish information about SEND in their school and an annual information report outlining how they support children with SEND. This information will be published on individual school websites.

---

[1] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[2] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[3] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
[4] This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
[5] The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children in other family units, living together at the same address, are not considered siblings under this criterion.

[6] In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.'

[9] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[10] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[11] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
[12] This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
[13] The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children in other family units, living together at the same address, are not considered siblings under this criterion.

a) A 'looked after child'. A looked after child is a child who is a) looked after by a local authority or b) being provided with accommodation by a local authority in the exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. *Details of eligibility must be supplied by the allocated social worker or foster carer*.

Or A child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England and ceased to be in care as a result of being adopted. *Proof of eligibility will be required.*

B Children for whom it is essential to be admitted to the Academy because of special circumstances do with significant medical or social needs, which relate to the child or an immediate member of the child's family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker or similar professional.

The supporting evidence should set out the particular reason why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another School. This evidence must be sent to the Academy by the application closing date, for the applicant to be considered under this criterion.

a. Children who, on the date of application, have a sibling (i.e. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who is living with them at the same address and on roll of the Academy.

b. Children of staff, where the member of staff has been employed by the Academy for 2 or more years at the time of application, or the member of staff was recruited to fill a vacant post for which there is a demonstrable skill shortage.

c. Children living nearest the Academy within the catchment area of Wisbech east of the River Nene bounded to the north by Freedom Bridge and Churchill Road, to the east by the western side of Churchill Road and Elm High Road to the Norfolk border and including Elm Low Road to the junction of Low Road, Elm, the north end of Halfpenny Lane, Newbridge Lane, Redmoor Lane (west end), Broad Drove, Crooked Bank, Chalk Lane and Nettle Bank.

d. Children living nearest the Academy outside of the catchment area.

Distance will be calculated using a straight line (as the crow flies) measurement from the reference point of the child's home address to the reference point of the Academy. **Please refer to the Glossary of Terms on pages 18 - 19 for further information under section Distance Between Home and School.**

Oversubscription Criteria:
The published admission number for the school is 30. If the number of children applying for entry exceeds the available 30 places in a year group, we apply the criteria set out below in order to determine whether a child will be offered a place or not. Although it is our wish to allow parents/guardians the right to have a place at the school of their choice this is not always possible. All preferences are treated equally.

Children with an Education Health and Care Plan (EHCP) that names the school will be admitted. NB. Those children EHCP that does not name the school will be referred to the Statutory Assessment Team (SAT) to determine an appropriate place.

In the event of oversubscription, places will be offered in the following order of priority:

    d. Children living closest to the school according to the shortest straight line distance[7].

4. Children living outside the Great and Little Shelford catchment using the same criterion a-d

Notes

[1] A Child in Care is a child who is in the care of a local authority in England, or is being provided with accommodation by a local authority in England in the exercise of their social services functions.

[2] A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

[3] See Primary Catchments under Schools and Learning in My Maps at: https://my.cambridgeshire.gov.uk/

[4] The school adopts the LA definition, which defines siblings as children, usually brothers or sisters, aged between 4 and 16, who live together in the same family unit.

[5] **In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.**

[6] 'Christian church' means a church which is designated as such, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop, or which is a member of Churches Together in England, or affiliated to the Evangelical Alliance, or a Partner Church of Affinity.

[7] The distance, for admissions purposes, is measured using the straight line distance from the reference point of the home to the reference point of the school both as determined by the Ordnance Survey (OS) Address Base Premium ™. These distances are produced by the LA Admissions team for the school. For families who live outside the area covered by the Cambridgeshire mapping system, distances are determined using a combination of local maps and on-line resources. In the event of (a) two or more children living at the same address point (e.g. children resident in a block of flats) or (b) two addresses measuring the same distance from the school, the ultimate tiebreaker will be random selection, witnessed by a Council officer, independent of the Admissions Team.

Under criteria 2 and 3 above, applications made under sub-sections b) and c) must be supported by the completion of the school's Supplementary Information Form. This SIF should be submitted to the school by the application deadline. In case of equal merit, priority will go to children living nearest to the school according to the shortest straight line distance. Please refer to the Glossary of Terms on pages 18 - 19 for further information under section Distance Between Home and School.

[32] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[33] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[34] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
[35] This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
[36] The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children in other family units, living together at the same address, are not considered siblings under this criterion.

[41] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[42] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[43] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
[44] This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
[45] The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children in other family units, living together at the same address, are not considered siblings under this criterion.

[56] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[57] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[58] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
[59] This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
[60] The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children in other family units, living together at the same address, are not considered siblings under this criterion.

Oversubscription Criteria:
Children with an Education Health and Care Plan (EHCP) that names the school will be admitted. NB. Those children EHCP that does not name the school will be referred to the Statutory Assessment Team (SAT) to determine an appropriate place.

1. Children in Care (CIC) and Children who were previously in care (CIC) but ceased to be so by reason of adoption, a residence order (now known as a child arrangement order) or special guardianship order.
2. Children who appear to the Admission Authority to have been in state care (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society) outside of England but ceased to be so as a result of being adopted only.
3. Children living in the catchment area who have a sibling at the school at the time of admission. Parents may contact the Local Authority (LA) if they are uncertain whether or not they reside in the catchment area. The home address is defined as the address of the adult with parental responsibility with whom the child normally lives and which applies at the time of application. Applications based on future addresses can only be considered up to 6 teaching weeks before the child is expected to take up the place.
4. Other children living in the catchment area.
5. Children who live outside the catchment area who have a sibling at the school at the time of admission.
6. Children living outside the catchment area who have applied and been unable to gain a place at their Cambridgeshire catchment school because of oversubscription.
7. Children who live outside the catchment area.

In cases of equal merit in each set of criteria, priority will go to children living nearest the school as measured by a straight line. Please refer to the Glossary of Terms on pages 18 - 19 for further information under section Distance Between Home and School.

(ii) After children in (i) above, priority will be given within each category to children living closest to the school. Distances are measured on a straight line "crow fly" basis, using Ordnance Survey data. (iii) Application Procedures and Timetable

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6 to 8 and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2027.

Please refer to the Glossary of Terms on pages 18 - 19 for further information under section Distance Between Home and School.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

   A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order, included in this definition are those children who appear (to the governing body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).
   For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will

[70] This is for admission to the school at the start of the school year in September and not for applications made in-year.

decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.
   All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
   - A religion which involves belief in more than one God, and
   - A religion which does not involve belief in a God.

   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'Sibling' includes:
   (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters and
   (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

In all these cases, the child and their sibling will both be living at the same address in a single family unit. This means that children from different family units, where those are living together at the same address, are not considered siblings under this criterion.

9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

A completed Supplementary Information Form, giving details of the religious grounds, signed by a priest or minister of religion, will be required to confirm that the criteria are satisfied. Applications which are unsuccessful on Religious Grounds (either because they do not meet the criteria, or because there are more applicants than the maximum of 10) will be treated as Non-Religious applications (N).

N1. Other Children in Care (CIC)

Notes

(a) Religious applications *within* each criteria R1, R2 and R3 are assessed in the following order of priority:

   2. Children who live in Godmanchester, and whose parent(s)/guardian(s) attend a Church in Godmanchester
   3. Children who live in Godmanchester, and whose parent(s)/guardian(s) attend a Church outside Godmanchester if there is no church of that denomination in Godmanchester
   4. Children who do not live in Godmanchester and whose parent(s)/guardian(s) attend the Parish Church of St Mary the Virgin, Godmanchester
   5. Children who do not live in Godmanchester and whose parent(s)/guardian(s) attend a church in Godmanchester

(b) 'Church' is defined as one which is in membership either of Churches Together in England or of the Evangelical Alliance.

(c) "Parents/guardians who attend church" are defined as attending divine worship or a public act of worship at least twice a month during the twelve months preceding 1st December prior to the year of entry to the Reception class of the school in September. For casual entries at any other time, it is twelve months prior to the date of application

(d) To make an application under **R2** or **N2** (children with a sibling already at the school), the sibling must be at the school at the time of the application and must still be at the school at the time the applicant enters.

If there are more applicants than places available in the lowest applicable category, priority will be given to applicants who live the shortest straight line distance, as calculated by the Local Authority. In the unlikely event of the distance being equal, places will be decided by lottery.

School type: Academy

Catchment Area: This school does not operate a catchment area.

Oversubscription Criteria:
When the school is oversubscribed, after the admission of Children with an Education, Health and Care Plan (EHCP) where the Academy is named, priority for admission will be given to those children who meet the criteria set out below:

1 Looked after children[71] and previously looked after children[72] including those who appear (to the Admissions Authority) to have been in state care outside of England[73] and ceased to be in state care as a result of being adopted[74].
2 Sibling[75]: where the child has a sibling in the school or a sibling has already been offered a place at the school, and where the sibling will still be attending the school at the time of admission but not in a specialist unit or a specialist resource base for Hearing Impaired provision or in a nursery/pre-school. Priority will be given, where necessary, to applications where there is the smallest age gap.

[71] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[72] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[73] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
[74] This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).
[75] The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children in other family units, living together at the same address, are not considered siblings under this criterion.

3 Children of staff recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. DEMAT is required to approve the Headteachers' designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
4 All other applicants

In cases of equal merit in each set of criteria, priority will go to children living nearest the school as measured by a straight line. Please refer to the Glossary of Terms on pages 18 - 19 for further information under section Distance Between Home and School.

Oversubscription Criteria:
Children with an Education Health and Care Plan (EHCP) that names the school will be admitted. NB. Those children EHCP that does not name the school will be referred to the Statutory Assessment Team (SAT) to determine an appropriate place.
Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Baptised Catholic children in care (CIC) and previously in care (CIC) children (see notes 2 and 3) ;
2. Baptised Catholic children who are resident in the parish(es) of St Laurence's, Cambridge (see notes 3 and 10)
3. Other Baptised Catholic children. (see note 3)
4. Other children in care (CIC) and previously in care (CIC) children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Children who have a parent or guardian who is a member of staff at the school and the member of staff has either been employed for a minimum of two years or has been recruited to fill a vacant post for which there was a demonstrable skill shortage.
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.
(i) The attendance of a sibling at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).
(ii) After children in (i) above, priority will be given within each category to children living closest to the school. Distances are measured on a straight line "crow fly" basis, using Ordnance Survey data. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. Under

random allocation, all the names will be entered into a 'hat' and the required number of names will be drawn out.

When oversubscription exists, the above categories will be taken into consideration to prioritise a waiting list. In cases of equal merit, after the above categories are considered, priority will go to children living nearest the school. Please refer to the Glossary of Terms on pages 18 - 19 for further information under Distance Between Home and School.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.
A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order immediately following having been looked after.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).
For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.
4. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour
according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial
communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to
include:
• A religion which involves belief in more than one God, and
• A religion which does not involve belief in a God.
Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
8. 'Sibling' includes:
(i) natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, and
(ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.
In all these cases, the child and their sibling will both be living at the same address in a single family unit. This means that children from different family units, where those are living together at the same address, are not
considered siblings under this criterion.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. Saint Laurence's parish covers the area of Cambridge north of the River Cam. As well as the area in close proximity to the church, it serves Arbury, Kings Hedges and North Chesterton, as falling within postcode area CB4. In addition, it covers the outlying villages of Histon, Impington, Girton, Cottenham, Milton, Landbeach and Waterbeach.

4 Parents or carers of children who are applying for a church place who specifically wish their children to be educated at a Church of England school[81]. These places will be prioritised in the following order.

- Families linked to the parish church,

[76] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

- Families linked to other Church of England churches,

Priority, Definitions and Eligibility Priority
In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front door on Coronation Street, Cambridge. These distances are produced by the Admissions Team for the school. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.
Evidence of eligibility in any of the categories may be required. In particular, evidence of residency may be sought. Applications based on future addresses can only be considered upon confirmation of tenancy or exchange of contracts. The condition of residency also applies on the first day the child is due to attend the school.

All parents wishing to apply for a church place must also submit a **Supplementary Information Form** (SIF) showing evidence of Christian commitment and practice confirmed by a church leader. These **must be returned to**

the School by the National Closing Date or, for mid-phase applications, at the same time as the application is submitted. All Church place applications with a completed **Supplementary Information Form (SIF)** submitted by the National Closing Date will be given priority over those SIFs submitted later.

[89] A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.
[90] Children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after,
[91] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
