Brington Reads!

January 2020

What an amazing Autumn term for reading at Brington! We would like to say a HUGE thank you to all the people who have supported us in our efforts to improve reading provision since September - we couldn't have done it without you!

The School Library

After several weekends of sorting, sanding, painting and putting shelf units together, the library is very finished! Thank you to all who donated fabric, cushions, beanbags, books, time and money to make the dream come true! The pupils are already using the space - we couldn't ask them to wait any longer - but we're planning a special 'official' opening later in the Spring Term.

The terrace reading area

Huge thanks to Ms Michael and Mrs Milla for the murals!

Thank you so much to all the families who donated new library books over Christmas from our Amazon wish list. If you would like to make a donation of books or other library items to the school in the future, please do have a look at:
