Key Vocabulary	
Compass	A tool with 8 points to help you know which way you are facing
Direction	Where someone or something is pointing or moving
Fieldwork	Using maps to go out and get a practical understanding of some-thing
Map	A specially drawn picture of a place done using an ariel view
Aerial View	The viewpoint taken from above
Key	A picture or symbol that represents a word or group of words. They are used on maps to make things easier

Year 3/4 Local Area & Map Work

Geography Knowledge Organiser

What should I already know?

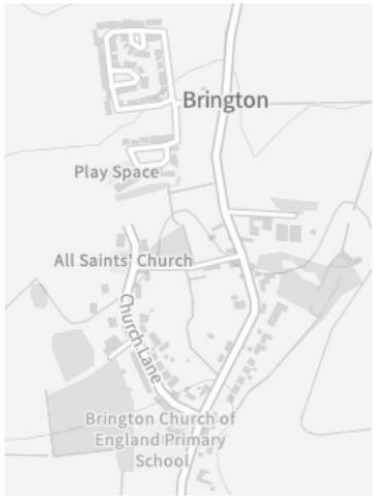

- How many points are on a compass
- To identify a key on a map
- How to recognise where I live on a map/ atlas

Procedural Knowledge

- brainstorm all the things we know about our local area
- be able to use compass points to navigate around a map.
- use aerial photographs and plan perspectives to recognise and create landmarks
- Use simple fieldwork and observational skills to study the geography of their school and surroundings.
- To devise a simple map and use and construct basic symbols in a key.
- To design a map, referring to key human features.
- To create a detailed map of Brington

Brington – Aerial View

Key - example symbols
