

YEAR 2 STATUTORY ASSESSMENTS – SATS

Dear Parents and Carers,

We wanted to write to you to give you information about some tests the children will be taking part in during May. These are not anything to worry about and all children in England (in Y2) also take these assessments.

The 2022 KS1 SATs (assessments) take place throughout **May 2022**. The school is given a greater degree of flexibility than KS2 SATs and we can carry them out when we choose at some point between 1 **May 2022** and 31 **May 2022**.

Hawks will complete their SATS papers over two weeks starting the week commencing 15th May 2023.

At Brington, we are making sure that the children do not feel nervous about these assessments as they are only a small part of their learning journey in Year 2 and they have had experience of mock tests already. The children's experience of mock tests over their time in year 2 have made them more confident.

Please find information about the assessments below.

KS1 ENGLISH PAPERS

There are two reading papers for KS1 pupils to complete, and two spelling, punctuation and grammar tests.

The first reading paper asks children to complete a mixture of short answer and multiple-choice questions about short stories/texts. The test is not timed but should take about **30 minutes to complete**.

The second reading paper asks children to read a booklet that has **three extracts**. The questions are a mixture of multiple choice and short-answer questions. The test is not timed but should take about **40 minutes** to complete.

KS1 MATHEMATICS PAPERS

Paper one is on arithmetic. The test lasts for **20 minutes**.

Paper two is on reasoning. The test lasts for **35 minutes**.

Please visit Hawks class page for more information.

Yours sincerely,

Mrs Baish & Miss Hoy
