To describe what God is like according to the creation story	To research examples of how christians try to take care of the world, like God wanted.	To showcase the creation story for our church service	To create artwork depicting one version of the creation story	To understand what Christians learn from the Creation story
PSHE Beginning & Belonging	Suggest ways in which our school can be a place where people learn safely and happily.	Participate in activities for building collaborative relationships in Kites Class.	Recognise emotions involved in being in a new situation.	Know how to make new people feel welcome in the classroom and in school.	Learn strategies to help in a new situation or when learning something new.	Identify support networks and how to ask for help.	Recognise when we might need help, where we can find it and have ideas about how to help others
Computing NCCE Connecting computers	Explain how digital devices function.	Identify input and output devices.	Recognise how digital devices can change the way we work.	Explain how a computer network can be used to share information.	Explore how digital devices can be connected.	Recognise the physical components of a network.	Assessment

PE - Gymnastics Rotations	Introduction to different types of rotational actions and exploration of rolling actions.	Exploration of turning and spinning and changing and travelling in different directions.	Exploration of twisting actions performed on different levels with control.	Exploration of performing rotational actions at various speeds and improving the performance quality of rotational actions.	Development of movement phrases to show variation in speed, level and direction and clarity in performance.	Remember, improve and perform movement phrases from last week.	Remember, improve and perform movement phrases from last week.
PE - Outdoor Hockey	Develop accuracy and control when dribbling and passing.	Develop tackling skills.	Know when and where to pass successfully, avoiding defenders.	Control the ball when dribbling and passing towards targets.	Keep possession of the ball as part of a small team.	Pass the ball to a nominated player in the end zone.	Use the skills developed to participate in a game.
MFL L'ancienne histoire de la Grande-Bretagne	Introduce pupils to the six key periods of ancient Britain (in French).	Learn how to say I am a stone age, bronze age or iron age man or woman.	Use "J'ai..." (I have...) to say which key hunting tools were used in the stone age, the bronze age and the iron age.	Introduce the children to the French phrase "J'habite..." (I live...) to examine the different types of dwelling most commonly used in each of these three periods of ancient Britain.	Consolidate facts learnt so far about stone age, bronze age and iron age men and women.	To revise all language covered so far and complete assessment for the unit.	STONE AGE DAY
Art Drawing - Cave Paintings	To create hand stencils - impressions left by blowing paint around the hand.	To use different sketching techniques to create different effects.	To improve my sketching techniques and create the appearance of texture.	To produce detailed drawings from observations and photographs - sketch prehistoric animals.	To experiment with watercolour techniques.	To create a colour wash using watercolour paints.	To create my own picture in the style of cave art.
